Subject: Annual DSG Chilifest and Driving Tour!! The Niemeyer's, Batavia Ohio Sunday, 10/14/18

Date: Sat, Sep 15, 2018 7:04 am

Hi Gruppe!

Please plan on joining us at the home of Kurt Niemeyer on Sunday, October 14th.

Kurt has graciously invited us once again to tour his **spectacular** garage, and to get together for another great chili luncheon.

The Niemeyer car and memorabilia collection is truly amazing, and contains many fine automobiles from around the world. I am sure you will recognize the red Speedster from many DSG events, as well as on the Ault Park poster from years ago.

The address is: 1212 Creekwood Court, Batavia, OH 45103, which you can Google or MapQuest for easy directions.

If you get lost call Kurt on his cell: 513-304-1177.

The driving event part will begin with a departure of 11:00 am from the Niemeyer's; with a driving tour of the local countryside to try out some twisty back roads and to also see the wonderful fall foliage. (Be there at 10:45 am at the latest if you wish to go on the driving tour.)

Note that you can also simply show up and **not** go on the tour if you just want to hang out until the luncheon, which will start at 12:00 pm.

Please plan to bring along a crock pot of your favorite chili recipe to share, or a side dish that will complement the chili, such as a cornbread, a dessert, or my favorite side dish, Jägermeister.

The DSG will provide your favorite frosty beverages and tableware as well as a variety of our favorite hot sauces to really spice things up.

My personal favorites are Barking Pit Bull, from New Orleans, Louisiana, (It will leave you barking for cold water!) as well as Happy Beaver Hot Sauce, from Westerville, OH.

Please plan on attending this fun event as we approach the end of our 2018 driving season!

We would love to see you, **with or without**, your 356, MG, or Corvair, so please, please come join us for this awesome social event!

Tom Oerther has once again promised to bring his world famous 356 cookies and meatball appetizer.

Email or call me with any questions and really hope to see you there!

Mark your calendars for Saturday, 12/1/18 for the annual holiday party.

356 Regards,

Peter OpaX2 Boettcher
