Subject: Metalkraft Coachwerkes Annual HOLIDAY PARTY AND TECH SESSION!, Saturday December 15th 10:00 am to 1pm!

Date: Tue, Nov 13, 2018 6:47 pm

Hi Gruppe!

Mark Schlachter will be hosting his Annual Holiday Party and Tech Session at the NEW Metalkraft Coachwerkes on Saturday December 15th starting at 10:00 am and will go to around 1pm.

Mark your calendar now!!

The NEW shop is located at 4003 Plainville Rd, Cincinnati, OH 45227. 513-861-9112. (Just down the street from Porsche of the Village.)

You are welcome to bring a dessert or snack to share, such as cookies, brownies, turkey croquettes, or whatever, (This is optional), As well as your favorite frosty beverage. Metalkraft will supply coffee, doughnuts, juice and water.

Tom Oerther will be sure to bring his world famous 356 shaped cookies! (Thanks Ada!)

This will be a **very fun and informal** get together to say goodbye to the 2018 season, and to wish each other a very short winter.

MARK AND HIS TEAM WILL BE PUTTING ON TECHNICAL DEMOS ALL AROUND THE SHOP. RANGING FROM TIG WELDING AND METAL FORMING, TO BUFFING AND POLISHING, TO METAL FABRICATION. (METALKRAFT NOW HAS AN ENGLISH WHEEL FOR CREATING THOSE SPECIAL PIECES NEEDED THAT YOU JUST CANT BUY OFF THE SHELF.)

The **NEW** Metalkraft Coachwerks has a very interesting and diverse array of Porsche cars in progress at the shop for your viewing pleasure. From older

356`s to late model 911`s. The new shop is very modern, well-lit and fun to explore. See cars that are in various stages of rustoration and see how they are constructed and brought back to life.

Come on in and discuss your projects with Mark, Justin and Rob.

They can **really help with ideas for your car, and you can also learn about the new shop's extensive capabilities. This is a chance to see cars that are currently in progress. Wall to wall Porsches!**

Please let Mark know (513-861-9112) if you have any questions and we hope to see you there!

356 Regards,

Peter OpaX2 Boettcher
