Hi DSG and TSG Members,

We had a very fun and informative meeting on Saturday. Lots of pretty Porsches in the parking lot and it was great to see all of our close friends.

There were many informative presentations and discussions about the Group and our plans for our future growth.

I have attached our meeting agenda, as well as the Group Overview, Porsche events schedule, CMS events schedule, and membership form.

Keep an eye on our website: <http://dreistaatengruppe.com/> for updates. Stan Yarrish, our Webmeister, is always adding new info.

Do you know why Porsches have the ignition switch on the left side of the dash? See the article on the website!

Please share the attached with other enthusiasts that may want to join our merry band! See you at the Bull Session in May!

Vintage Porsche Regards,
