ZOOM call is Jan 21st - 7PM**

Hello Members,

Please join us on our next regular monthly DSG ZOOM call. The agenda is very fluid. We will probably talk some about DSG and Porsche events scheduled for the first six months of 2021, and get input from everyone about what needs to happen with the virus to allow us to safely schedule and participate in these events on the current calendar.

If you have ZOOMed before, here are the details about the call sign in numbers.

For First Time Zoom participants:

The rest of this note is for members who may be ZOOMing for the first time. There are a few things for you to do before the call in order to join without any delays. So please read below. And if you have questions, call Stan Yarrish at 513-546-9430 before the call.

Step 1 - Install the free ZOOM app on your computer

If you don't already have the Zoom software on your computer you need to go to <https://support.zoom.us/hc/en-us/articles/201362033-Getting-Started-on-Windows-and-Mac> and download the application below.

[Zoom desktop client \(Windows or Mac\)](#)

Then register yourself with new account.

Your new account will have your own email and password sign in, that you will use on every ZOOM call in the future, regardless of who sets it up.

Step 2 - Sign on to ZOOM before the scheduled call and follow the tests for your computer audio settings.

Click on the little headset icon on the lower left corner of the menu bar and follow the instructions to test your speakers and microphone controls.

You can sign out of ZOOM then until a few minutes before the Jan 21st call.

You are now set to join our DSG Winter Zoom call on Jan 21st, 7PM

Step 3 – Just before the scheduled call, sign on to your ZOOM account and use the Meeting ID and Passcode listed in the above notice and you will be admitted to the call.

It's That Simple!
