Monday, 13th. 8 AM, short meeting at the hotel in Bennington, Vt. All registered participants should attend. 9 AM. On the road to STOWE. Route 100 North will take us directly to Stowe. We will be stopping at several interesting landmarks and tourist traps. SCOTT Covered Bridge is one of the longest covered bridges in the country, open to foot traffic only.

A short side trip to the 'Vermont Country Store'. If this store does not have what you're looking for, it does not exist. Ben & Jerry ice cream factory, if time permits.

PM, checking in at a German themed hotel. The owners emigrated from Germany many years ago.

Tuesday, 14th. Half day drive to the scenic SMUGGLERS NOTCH area and the East Coasts largest ski resort. Return by 1 PM. Afternoon is FREE time. Check out the town of Stowe. Before the pandemic there were over 100 small, privately owned shops and restaurants on Main Street alone.

Wednesday, 15th. 9 AM. On the way to GORHAM, NH. Part of the drive will be on the Interstate. Yes, even the Interstate Hwy is scenic, to the KANCAMANGUS HGWY, 40 miles of super scenic driving with several stops at overlooks and rest areas. Also known as the KONC. Check in to hotel.

Thursday, 16th. Drive the 7.6-mile toll road to the top of Mt. Washington. Lunch at the top, if the restaurant is open. The hotel is very close to the entrance of the toll road. Mt. Washington is the 2nd highest mountain east of the Mississippi, with the worst winter storms ever recorded and is also the oldest manmade attraction in America.

Friday, 17th, check out of hotel. Drive the scenic road Rt.302 to the other side of Mt. Washington to the steam driven COG R/R . You won't forget this trip up the side of Mt. Washington. More about this ride, reservations and tickets, after I receive your Registration Form.

I am working on a "see you next year" BBQ dinner at a local restaurant in Gorham for Thursday PM. Let me know what you think about a 'see you later' dinner.

All expenses are your responsibility. Not responsible for anything. Drive at your own risk. Flexible itinerary.
