Hi Gruppe!

We had a simply spectacular day at the 47th Annual Bull Session held once again at Sharon Woods Park in Sharonville, OH.

We had a bright and sunny day with no clouds and a large freshly mowed display area to show off all the shiny Porsches from all years. The Top 5 Porsches selected by a People's Choice vote were awarded trophies supplied to us by the Porsche Factory in Germany.

Along with the Factory Trophies, the top 5 Porsches were awarded valuable gift certificates and prizes from Zims, Stoddard and other DSG advertisers and sponsors.

The Top 5 trophy award winners in order were:

1. Marie Lieding, 1960 356 B Roadster
2. Dick Weiss, 1958 356 A Speedster
3. Russell Clarke 1960 356 B Roadster
4. Kendall King 1959 366 A Cabriolet (Just joined the DSG and his first event with us!)
5. John Meyer 1969 356 D (A gorgeous 1969 912 in Irish Green)

We also had a terrific barbeque picnic lunch supplied by the DSG. Many wonderful side dishes and desserts were also supplied by the DSG membership.

Tom Oerther even baked some of his world famous 356 shaped cookies!

We had B&B Catering manning the grill with a huge selection of burgers, metts, brats, and dogs all cooked to perfection.

(B&B Catering consisted of Adam Boettcher, Matthew Boettcher, Jivanto van Hemert, Kathy Marshalek, and a cast of thousands who helped with the grilling and serving duties.)

Frosty and Cold Beverages abounded, and no one left the event hungry or thirsty.

For those thirsty for 356 knowledge, Carl Iseman supplied his most challenging 356 trivia quiz ever!

His well researched questions had many of us totally stumped and scratching our heads for inspiration.

Sample questions: HOW MUCH HORSEPOWER DOES THE 1300 NORMAL ENGINE PRODUCE? Correct answer is 44 SAE Horsepower.

WHAT WAS THE ORIGINAL FACTORY COST OF THE 70 LITER FUEL TANK? Correct answer is \$27.50.

Prizes were awarded in order based on how many correct answers you had! I won't tell you how many questions that I had correct. :(

DSG Vice President, Stan Yarrish, procured many great prizes for the tech quiz, as well as setting up a freebie table for all those in attendance to be able to take home a Porsche related gift.

Stan is also our Webmeister extraordinaire who takes care of the DSG website. Thanks to Stan for all his hard work!

Please see the DSG website:, <http://dreistaatengruppe.com/> and look under Past Events for photos by Official DSG Photographer (Surprise! Stan Yarrish.)

See our attached Porsche Event List for upcoming 2023 events and we look forward to seeing you!

The 48th Annual Bull Session for 2024 is currently scheduled for Sunday May 19th, 2024! Mark your calendar now and plan to attend this DSG signature event!

Keep me posted on any questions or thoughts as we continue on into the 2023 event season!

Remember that Porsche is the featured marque at the Cincinnati Concours on June 11th at Ault Park.

See you soon!

Vintage Porsche Regards,

Peter OpaX2 Boettcher
