Chancellors News Letter

Our first anniversary comes up July 26th. It was one year ago on that date that John Dixon hosted our inaugural meeting at the Taj Maj Garaj museum in Dayton. Since then we have had several social/BS/tech sessions as well as joining in the sponsorship for a number of other annual events. Coming us on the first weekend in June is the 2004 Taj Kreuzers. You need to check www.Kruezers.com for all the details. We need as many as possible 356's for the Saturday concours and car show. Sign up on the web site. Our group will be awarding our first 356 Judges Choice Trophy at this event in addition to all the Kreuzers trophies

A new event for this year will be held in Kentucky in partnership with the Kentucky PCA. The Autumn Derby will be held in Louisville, KY October 1,2,3, 2004. This conflicts with the 356 Registry Holiday in Williamsburg, VA. If you are not going to the Holiday show up in Louisville for a good time. See the ad elsewhere in the newsletter for contacts and details or call me with any questions.

We are always looking for individuals to host events. If you are interested or have suggestions for an event let any of the Gruppe officers know.

Finally many thanks to Steve Leiding for the fine effort in getting out our first newsletter. We need articles on any 356 subject, so send them in to Steve, sleiding@fuse.net.
