Hello to all fellow 356ers!,

We wanted to supply a final update on the Holiday event in Lexington for those who were able to join us, as well as for those that were not able to be present.
Our Saturday program was jam packed with things to do!

The Concours started at 9am, with cars finding their class spots on the show field.

Well over a hundred 356`s were displayed, and all were simply spectacular.
This was a people's choice event which was very well received.
Diane Morrill had the Goodie Store open for last minute shoppers, and she brought an amazing selection of 356 related items to purchase.
Some unique one-off badges were also on display that were sold.
Saturday also saw two more very informative technical presentations.
The evening Reception and Awards Dinner were simply magnificent.
Lori Schutz gave us a wonderful update on what was new with The 356 Registry, and what we had to look forward to, including a West Coast Holiday in September of 2027 in Sun Valley, Idaho.Many door prizes were given out that were donated by our sponsors.
I have attached the Banquet presentation, as well as the results from the Saturday Concours for your review.
On Sunday morning the Swap Meet, (Indoor and Outdoor), was held and was extremely well attended.Many rare treasures exchanged hands, and both buyers and sellers were seen smiling.

As a member of The Drei Staaten Gruppe based in the greater Cincinnati,OH area, I am very proud of our group of volunteers who worked tirelessly to make this a fun event.It has been a full time job for many months!
Please let me know if I can supply any additional information or answer any questions
Seeing old and new friends gave us all a big 356 boost.
We hope to see everyone in Sun Valley, Idaho next September!
Respectfully,

Peter Boettcher President, Drei Staaten Gruppe
